GOVERNOR'S MEMORANDUM – 2007/ 09
REALLOCATION OF SUBJECTS TO MINISTRIES
NORTHERN PROVINCIAL COUNCIL

13th Amendment of the constitution has designated subjects under the “Provincial Council List” and the “Concurrent List” to empower the Provincial Councils to deliver the services earlier carried out by the Central Government.

After approximately 18 years as the North East Provincial Council and one year as the Northern Provincial Council, it has been revealed that in order to ensure effective administration and delivery of services to the people, some of the subjects need to be re-allocated.

From the time of the existence of NEP this had been a subject that was extensively discussed at various levels, among the Secretaries and Departmental Heads. Now finality is reached with consensus of the majority which is ready for implementation. This would entail re-adjustment of functions and in some instances the renaming of the Ministries and redefining functions as the attached schedules will indicate.

After a series of discussions, with the Provincial authorities, the Management Services Department has approved the cadre for the NPC. Hence, the new allocations of subjects should not entail any additional cadre or funding, but should be managed within the scope of available resources by clearly identifying the role and responsibilities of authorities concerned, to cater for this new arrangement. This has been already attended to by the panel of Secretaries.

New allocation of subjects is as per the attached schedules. This arrangement will come into effect from 1st January 2008 and should be given widest publicity.

Mohan Wijewickrama,
Acting Governor,
Northern Province.
